

Curriculum vitae

Dave Ball
Flat 9,
8 Riverview Place
Glasgow G5 8EB

Profile

I have over 16 years experience working in IT, during that time I have worked on various projects and been exposed of a plethora of new technologies and methods. I am a highly motivated individual who has a track record of work on his own or as part of team to deliver the needs of the client be that an internal or an external body. I have a wide knowledge of the Scottish Public Sector dealing with both Local Authorities, Health the Scottish Government and the SPSA as well as various partner organisations. I have a very outgoing and approachable personality and feel I have very good communication skills.
